CHURCH BUILD FUNDRAISING: The planning stages for our new church build are well under way, and additional funds from congregation members will be needed for this project. Recurring donations can be set up through One Church by selecting Build Fund in giving portal. Donations can also be made via cash, check, Zelle (admin@seallc.org), or Text to Give (877-214-2799) Build_\$\$\$ (contribution amount). If you are willing to make a donation of a pledged amount at this time, please do so with one of the mentioned options and clearly state it's for the Build Fund. Please make checks payable to SLLC and include Build Fund in the description. Thank you for your willingness to support this project! Please see Bryce L, Chris N, or Kara G with questions or for further information. Amber L is heading up fundraising and is looking for additional help and ideas. Stay tuned for further information on how you can help with this endeavor!

CONDUCT AT HRMS: The HRMS janitor has reported misconduct with some of our teenage youth to a congregation member - so that we can address it. If it continues, then he will report it to his boss. The youth misconduct includes: littering among trees on N side of property, and smoking on E side of property. The HRMS rules and regulations are posted on OneChurch. All adults are asked to review these rules and regulations. Parents please discuss the rules and regulations with your teenage youth, and ask them to stay on HRMS property before, during and after SLLC events at the school. All adults are asked to help monitor the conduct of our group at HRMS, and to address and report misconduct situations if they occur.
